

NPEX: An Affordable solution for Laboratory Medicine Referrals?

(NPEX: National Pathology Exchange)

The NPEX roadshow is an opportunity for prospective customers to hear about the benefits of NPEX for managing laboratory referrals and EQA. Presentations will include a description of the NPEX service, strategic goals for improving pathology service, UK customer experiences and a service demonstration.

Date: 7th September 2018 (9am – 2pm)

Venue: Freeman Auditorium,
Catherine McAuley Education & Research Centre
Mater Misericordiae University Hospital, Eccles St, Dublin 7

To register, please email: npex@x-labsystems.co.uk. Video Conference facilities are available.
